To qualify for the Associates of Science in Business Degree you must meet the admission requirements for both Indiana University and the Doermer School of Business A.S. program as follows:

1. Complete 30 degree applicable hours.
2. Complete ENG W131, COM 114, PSY 120, SOC S161, and, if required, MA 153.
3. Overall GPA of 2.0

You must complete all required courses and selections with a minimum cumulative GPA of 2.0 and you may earn no less than a C- grade in each of the courses marked with an asterisk (*).

Use of A.S. Business Degree credits towards B.S. Business Degree requirements:

All courses required for the Associates of Science in Business Degree will apply to the Bachelors of Science Degree in Business. **Neither admission to nor completion of the A.S. Business Degree program will “automatically” qualify you for admission to the B.S. program.** Currently enrolled A.S. students and graduates holding the A.S. Business Administration Degree who wish to continue toward the Bachelor of Science in Business Degree must meet the criteria for admission to the program specified in the Business and Management Sciences section of the current IPFW Bulletin.

If you are planning to continue on for the B.S. degree in Business it is recommended that you take **BUS J100** within your first two semesters, as well as **COM 323, ENG W233, and MA 229** while completing the AS degree.
