YOU ARE INVITED:

CAREER RESOURCE
LUNCH AND LEARN SERIES

SERIES 1: WHAT ARE ALL THESE MAJORS?

For School Counselors and Career Educators

Please join us for the first lunch and learn resource session offering an opportunity to gather information, ask questions, and network with university faculty, industry guests, and students who share these topics and others throughout the series:

- Types of majors in engineering, technology, computer science, and leadership fields
- Best practice ideas for your students selecting a major and career pathway
- Explanations of the difference between engineering and technology majors
- Answers to questions students may have about the School of Polytechnic
- Leadership careers: sharing options for majors in organizational leadership
- Insight from faculty about freshman; observations they can share
- Hear the student perspective on the type of valuable information they wanted to know about majoring in these career pathways

Share with us your career education strategies and questions: how can we help?
