REQUIRED TEXT:
Wheelock’s Latin, 6th edition, revised; 2005
by Fredric M. Wheelock, revised by Richard A. LaFleur.

Recommended:
English Grammar for Students of Latin, by Norma W. Goldman

You will not be required to have a separate Latin-English-Latin dictionary for this class, but one will be useful if you continue studying Latin.

COURSE DESCRIPTION & GOALS:
This course is an introduction to Latin for students with little or no knowledge of the language. It begins with the study of Latin grammar and syntax and builds toward a reading knowledge of Latin. The course is essential for students who intend to work in the languages, literature, and history of Greece and Rome and for students who intend to do serious work in ancient civilization and archcology. But it is also valuable for students in English and the Romance languages, as well as for those in other disciplines, such as medicine and law, and indeed for all who are interested in language in general or the roots of Western culture and civilization in particular.

EVALUATION:

**Frequent** in-class quizzes 15%
In-class translation/participation 10%
Mid-term test 25%
Final examination 50%
