Subj: OLS 475

The OLS Curriculum Committee is proposing a change in the current title of OLS 475 from “Topics: Contemporary Supervisory Training Issues” to “Human Resource Development.” We would like to change the current title because it is cumbersome and because it does not adequately describe the content of the course. When we first proposed this course it focused solely on training. It has evolved to an overview of the entire HRD function and therefore, the title should reflect this change.
