Employer Services—NICE Job Fair Wrap-Up

June 2015

Indiana University–Purdue University Fort Wayne (IPFW) hosted the Northeast Indiana Career Enrichment Consortium (NICE) annual spring job fair April 14. This year's event hosted the largest group of employers to date—150 companies and 317 recruiters—seeking to fill over 3,000 positions throughout the nation. This regional event is sponsored by career professionals at Grace College, Huntington University, Indiana Tech, Indiana Wesleyan University, IPFW, Ivy Tech, Manchester University, Trine University and University of Saint Francis. The fair welcomed over 650 job seekers from the institutions listed above, other nationally recognized colleges and universities, and surrounding communities.

Obtaining accurate information about the placement of our students and alumni is important to us; if your company has recently hired an IPFW student or alumni, please contact Andrea Ogubi, career events coordinator, at andrea.ogubi@ipfw.edu for a link to a brief placement survey.

While this year's NICE Job Fair is over, the date for next year's fair is already set. Please save this date for the 2016 NICE Job Fair: Tuesday, April 12, 2016, from 12:30 to 4:30 p.m. in the IPFW Athletics Center Fieldhouse.

We offer an employer workshop before each job fair, which is included in the cost of the fair. Topics range from onboarding to retention and other popular relevant topics. If you would like to learn about a specific professional development topic, please send your workshop idea to Andrea Ogubi, career events coordinator, at andrea.ogubi@ipfw.edu. Please direct any career fair-related questions to her as well.
