Curriculum Committee Report

Committee members: Cheryl Duncan, Patricia Eber, Sana Harges, and Brenda Valliere

Date of meeting: January 28, 2010

**NUR 513:** The committee had questions on the Form 40; the following areas were not filled out: Credit Type, Course Attributes, and Schedule Type. Also, under Course Description, the Registrar’s office has asked that this area is either filled out or that it is written “No changes” or “The same as before”. Also under Course Description for the prerequisite it was suggested that “NUR” precede the course number of 511. On the second page of the syllabus, under # 7, the committee felt it should have been written “American Indians and Alaskan Natives” instead of “American Indiana and Alaska Natives”.

**Adjustment of Pre and Co-requisites for FNN and HTM courses:** All Form 40’s were approved, however, the Registrar’s office has asked that under Course Description, it is either filled out or that it is written “No changes” or “The same as before”.

**Changes in CFS 399:** All changes for CFS 399 were approved.

The next meeting is set up for February 16th, at noon.
