Department of Physics

Position title:
Assistant Professor of Physics

Type of appointment:
Tenure Track, Academic Year

Discipline:
Physics

Area(s) of Expertise:
Astronomy, Atomic and Molecular Physics, Biophysics, Chemical Physics, Computational Physics, Fluid Dynamics, Medical Physics, Nonlinear Physics or Optics

Qualifications/Requirements:
Ph.D. in Physics

Duties:
The Indiana University-Purdue University Fort Wayne Physics Department invites applications for a tenure-track Assistant Professor position starting Fall 2012. Requirements include a Ph.D. and commitment to excellence in undergraduate teaching. The successful candidate will be expected to develop an active and independent on-campus research program involving undergraduates. Research areas of interest are: Applied Physics, Astronomy, Atomic and Molecular Physics, Biophysics, Chemical Physics, Computational Physics, Fluid Dynamics, Medical Physics, Nonlinear Physics, and Optics. The Indiana University Purdue University Fort Wayne Physics Department offers B.S. degrees in Physics and Physics Teaching. Submit cover letter, CV, reprints, research and teaching philosophy statements, and three recommendation letters to Mark F. Masters, Chair; Department of Physics; IPFW, Fort Wayne, IN 46805, or e-mail masters@ipfw.edu.
Description of the department:

IPFW Department of Physics is a seven member department with growing enrollments. Our faculty are actively engaged in research and strive for excellence in undergraduate education.

Description and location of the university:

Indiana University–Purdue University Fort Wayne is the largest university in northeast Indiana, offering more than 200 prestigious IU and Purdue degree and certificate programs. More than 14,000 students of diverse ages, races, and nationalities pursue their education on our 683-acre campus. IPFW combines challenging academic programs with student-centered flexibility at an affordable price. The university’s exemplary standards in teaching and research provide unparalleled value for career preparation and professional development in an ever-changing global market. The university’s commitment to service makes it an economic, cultural, and societal leader in the region. IPFW is located in Indiana’s second-largest city, Fort Wayne, with a metropolitan area population of approximately 475,000. IPFW is an Equal Opportunity/Equal Access University accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools.

Effective date:

8-13-2012

Application deadline:

Open until filled

Must Include:

Please submit cover letter, curriculum vita, research and teaching philosophy statements, reprints, and three (3) professional letters of reference.
