Re: Course proposal  

The Department of Communication respectfully submits the attached Form 40 for a new course, a 200-level Special Topics in Communication and respectfully requests that it be added to the agenda of the next meeting of the COAS Curriculum Committee.

Currently, we only offer an upper division special topics course, COM 49100. The attached would allow us to also provide lower division special topics offerings when appropriate.

There is no syllabus attached to this Form 40 as this is a special topics, variable title course.
