## Degree Clarification Instructions for Student

The information you provided on your FAFSA about your degree program does not match IPFW’s records. Clarification of your degree status must be provided before your eligibility for financial aid can be determined.

Please take this form to your academic advisor to have it completed.

### Degree Clarification Instructions for Academic Advisor

The above named student has indicated that he/she has already earned a bachelor’s degree. More information is required before the student can be awarded financial aid.

Please answer the following questions below and return this form to the Financial Aid Office in Kettler Hall room 102.

- Is the student admitted to a graduate degree program for the 2013/2014 academic year?  
  - Yes  
  - No

- If not admitted to a graduate degree program for 2013/2014, will the student be enrolling in undergraduate courses in preparation for admission into a graduate degree program?  
  - Yes  
  - No

- Has the student previously earned a bachelor’s degree?  
  - Yes  
  - No

### Review the statements below and check off the statements that indicate the student’s status:

- Student is enrolled in undergraduate courses for the purpose of achieving the GPA required for admission to a graduate program.
- Student is enrolled in undergraduate courses only for preparation for admission to graduate degree program.
- Student is enrolled in a program required for teacher certification/recertification at the elementary or secondary level.
- Student enrolled in a post bachelor’s certification program other than for teacher certification/recertification.
